

CONSERVAS PORTOMAR, S.L.U.

Galicia, in northwest Spain, is a land bathed by the sea, the charm and the light of the lighthouses, and it is just here, in our estuaries where in 1955 the Pereira family (Conservas Portomar) started this adventure.

Portomar selects the best raw material from the best sources and uses always natural ingredients with no additives or preservatives.

Our artisan production process preserves the essence of the traditional home made food but using the latest technology.

All of this is for you to enjoy the most exclusive flavours from the sea.

Conservas Portomar belongs to the Spanish group "Armadora Pereira", founded in 1956 is headquartered in Vigo. The main activity of the Group is fishing and processing the fishery products both refrigerated and frozen.

Our Captains, Skippers and specialised Crew fish 113 different species in 19 vessels equipped with the latest technology. The Group has production facilities in Spain, Senegal and Namibia.

Conservas Portomar is the new Company of the group, acquired in May 2016. We are dedicated and enthusiastic Gourmet fish and shellfish Cannery Company.

Harnessing of synergies and sources provided by the Group our portfolio is made up of a wide range of high quality fish and shellfish.

Portomar has a wide experience in the selection of the best raw material from the sea, since all our team was born and grew up by the sea. It is a part of our live and our childhood.

GUIDING YOU TO
THE FLAVOURS OF THE SEA

Our elaborations are made with 100% natural ingredients, with no additives, no artificial colouring or preservatives, in order to provide exclusive flavors in a very healthy way.

Portomar guarantees the best quality products through the selection of the best quality raw materials in origin as well as the care of all the productions stages.

Our manufacturing plant is distributed in separate areas with direct flaws in order to keep and preserve the highest international standards of hygienic sanitary and food safety conditions.

We have the IFS and BRC quality certifications and FDA accreditations as well as local producers labels as D.O.P., MEJILLÓN DE GALICIA, PESCADERÍAS.
